

January is **poverty** in America Awareness Month.

THE POVERTY LINE

It's holding back 1 in 6 children in America.

Every day it stops them short. In nearly every community. Families living without enough. And losing hope. Life on the wrong side of the poverty line is no child's game. But nearly 13 million children in America are struggling there right now. It doesn't have to be this way. Together, we can do so much. Will you help?
